## Transportation Information

### What's the Best Way to Get to the YMCA?

On foot, of course, or by bicycle, bus or BART. The central location makes the Y accessible to many forms of transportation. You can spare the air, save a few bucks and burn some calories on your way here. For Full-Service Members who drive, we have validated parking during specified hours. For vehicle parking information, see back side.

### Bicycle

The Downtown Berkeley YMCA has bicycle parking with a security camera in front of the building. Cable locks are strongly discouraged. Monday through Friday, you can also leave your bike, for free, at the Bikestation conveniently located at 2208 Shattuck Avenue. Hours are 7:00am - 9:00pm on weekdays. Weekend hours are being considered, but are not currently available. For Bikestation information, call 510 548 7433 or visit [http://alamedabicycle.com/station\\_berkeley.html](http://alamedabicycle.com/station_berkeley.html)

### Bus or BART

The Downtown Berkeley BART station and a hub of bus lines are just a block from the YMCA, so taking public transportation is easy — especially if you live or work near a BART station or major bus line. See the transportation page on the City of Berkeley's website or visit [511.org](http://511.org) for lots of useful information about public transportation.
